Beautiful home on a fantastic wooded lot in sought-after Red Oak Hills subdivision! Wide open floor plan with lots of windows shows off the private backyard. This home was built for entertaining guests from the large great room with tall vaulted ceilings and chef's kitchen with Thermador range & custom cabinets to the finished walkout basement. Escape to the master suite with a wonderful whirlpool tub, tiled walk-in shower, double vanities, large walk-in closet and screened balcony. Large deck and patio allows you plenty of space to enjoy your private retreat. Great highway access gives you short commute time to the airport, downtown and throughout the city.
